Dianemo NC50*

The Dianemo NC50 is an affordable and easy to install system that is able to deliver a range of AV distribution and control capabilities by adding a range of peripherals according to the requirements of specific installations.

The package, which is based around the new low power - energy efficient Dianemo NC50 Nerve-Centre, comes pre-configured to support:

- 4 independent audio zones
- 2 'Smart TV' video zones
- 2 IP cameras
- Lighting and Heating control (via suitable interfaces)
- 1 x IP Door Entry panel
- 3 x RS232 devices

The Nerve Centre is a silent compact rack, shelf or wall mount unit with 1TB of OS/media storage with a separate USB interface for 3 of the audio zones. What differentiates Dianemo is that, with optional upgrades, it can also control lighting, TV surround sound amplifiers, SkyHD boxes and integrate door/gate entry.

SPEC

- Case: Aluminium slimline case with silent passive cooling
- Intel Celeron 2955U 64-bit dual core 1.4GHz processor
- Storage: 1TB (enough for around the equivalent of 120 DVD's or 10,000 MP3's or 700 hours of TV)
